You will learn the pros and cons of various social media platforms and get step-by-step guidance on setting up and optimising your profiles on Facebook, Instagram and YouTube.

Our Workshops will cover:

- Choosing the right social media platforms for your creative business
- Setting up a professional Facebook business page
- Building a compelling Instagram profile
- Starting and growing a YouTube channel
- Developing content strategies to engage and grow your audience.

Whether you are just starting out, or looking to refine your existing social media strategy, these Workshops will provide valuable insights and practical tips to help you succeed online.

PLEASE NOTE: that Workshop 2 builds on knowledge from Workshop 1 so attendees will need prior basic knowledge if they choose to only attend Workshop 2.
